

How do you use the Cherry Creek Trail? Tell us!

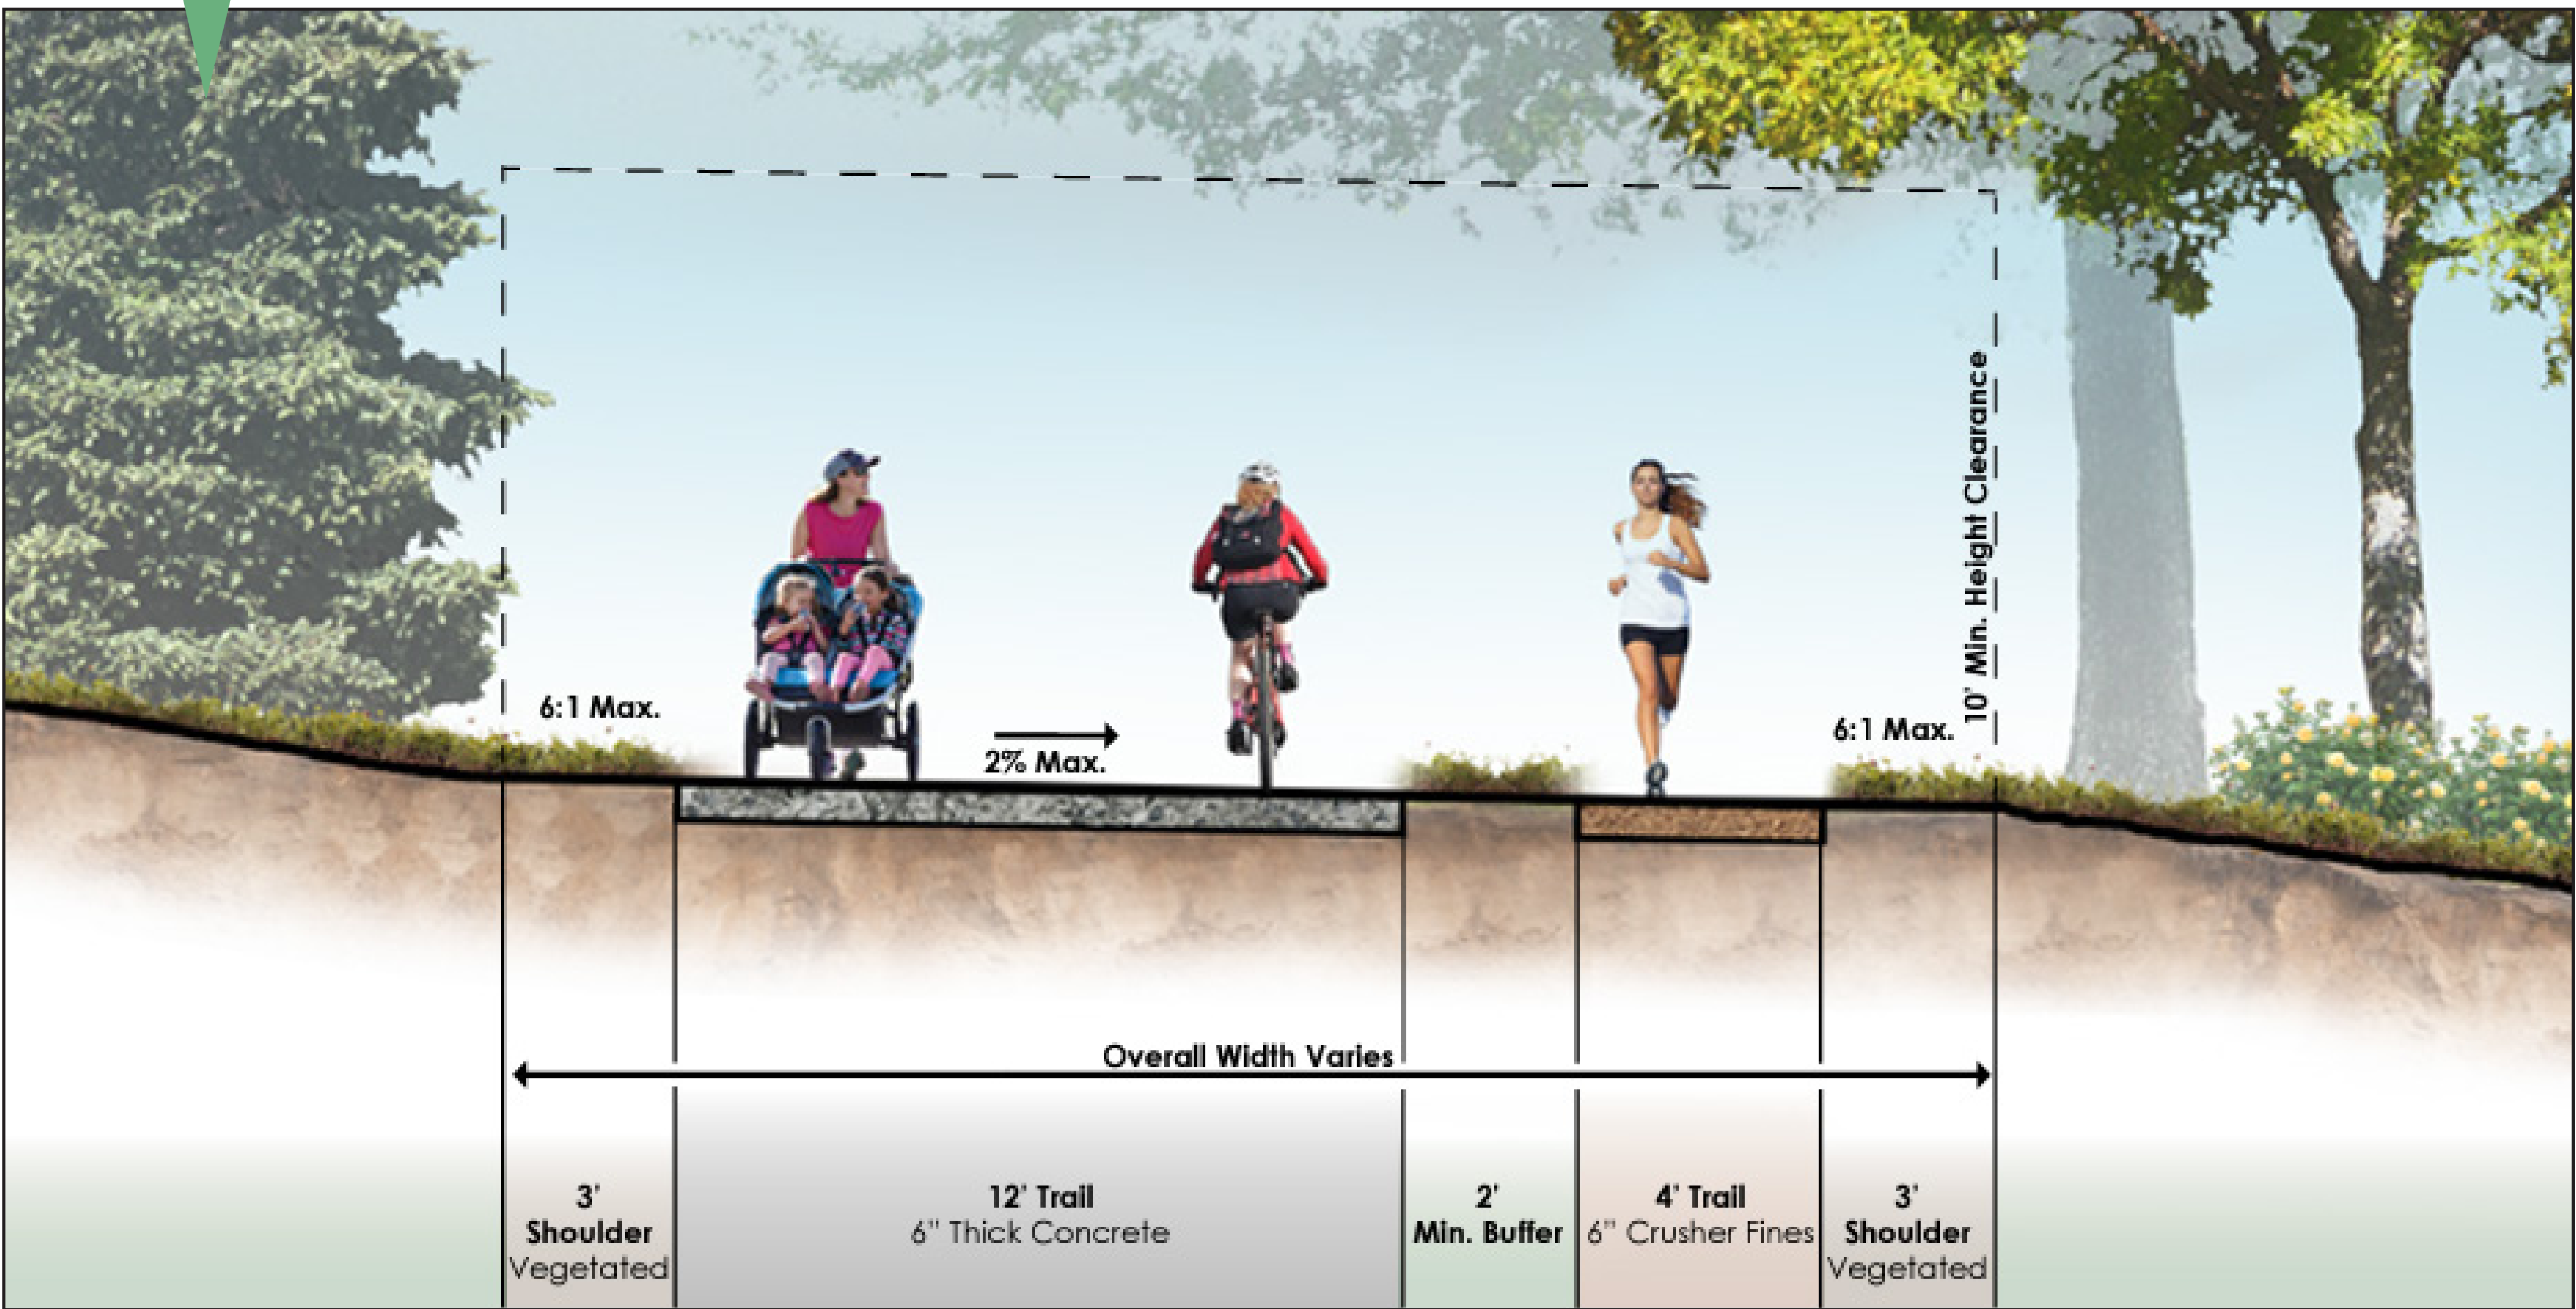

We want to create a better connection to the creek...
Hearing how YOU use it will help us do that!

Cherry Creek Greenway Plan (2017) was a plan developed by others that envisioned a better creek. Cherry Creek West has the potential to be one of the first sites to implement creekside improvements!

Here is a standard trail section from Denver Moves: Pedestrians and Trails. These are the kind of trail improvements Cherry Creek West is exploring south of our site!
